## Reduce Risk With A Shoes For Crews Safety Footwear Program – And Save

**SHOES FOR CREWS CAN REDUCE SLIPS & FALLS BY 67%**

Slip and fall accidents and injuries are a major source of workers' compensation losses.

Shoes For Crews' proprietary slip-resistant outsole technology sets the standard in safety footwear for the workplace. According to a recently published NIOSH study, a company-paid program utilizing Shoes For Crews was proven to reduce slip and fall frequency by 67%\*.

Enjoy the benefits of a company-paid Shoes For Crews footwear program:

- Corporate Discount Pricing - Up To 30% Off
- 60 Day Wear and Compare Guarantee
- Fast, Free Exchanges and Easy Returns
- Exclusive \$5,000 Slip and Fall Warranty

If an employee slips and falls while wearing Shoes For Crews, SFC will reimburse your company up to \$5,000 for each workers' compensation claim. Conditions apply.
