

NGS

PHARMACISTS SECURITY PROGRAM

NGS' pharmacist security program helps you strengthen your glazing with field-proven security retrofit products from 3M™ and Riot Glass®. Participating in this program entitles you to:

- Discounted Glazing Security Assessments
- Access to best in class glazing security products and solutions.
- 3% discount on NGS products and services

Never Board Up Again

Schedule a glass hardening assessment today!

An NGS building envelope security expert will evaluate your buildings in order to help you:

- Identify and prioritize vulnerable areas with a zoned approach
- Select the appropriate product tier(s) based on your objectives
- Provide you with an actionable proposal with building security recommendations

Visit go.filmsandgraphics.com/pharmacist, or scan the QR code to get started today!
